

## Notice to Illinois Storm Victims

Due to the recent flooding, National Benefit Life Insurance Company is extending the premium due date for 60 days on policies in-force in the counties of Cook, Kane, Lake and McHenry. Any policy nonrenewal or cancellation notices issued to policy owners in the affected areas on or after July 12, 2017, will be withdrawn. Lapse notices will resume in the affected areas on September 30, 2017. Also extended for 60 days in the affected areas are any policy provisions or other requirements that impose a time limit for an insured or claimant to perform any act, including the submission of a claim or proof of loss, reporting of information, submission of bills, or payment of funds. If you live in the affected areas and have any questions, please call our toll free number at (800) 222-2062.

Illinois insurance consumers may file a complaint regarding any disaster-related dispute or issue by calling the Illinois Department of Insurance toll-free complaint hotline at 1-866-445-5364, or file a complaint online at:
